Old Business:

- Parish Council Nominations:
Jill Becker reported that the committee (Jill Becker and Jim Love) is hoping to have 6 nominees on the ballot. To date they have two parish members who have agreed to be on the ballot. They will continue to make calls thru next week, working from the list generated by PC members at our prior meeting. The parish voting will take place during Catholic Schools week and the PC members will collect and count all ballots on 1/26.
- Fish Fry:
Dave Easley reported progress on the planning for the first Fish Fry during Lent. The men's basketball league has agreed to supply volunteers to run the fry with serving, set up, tear down etc. Possible date is 2/28 and maybe a second date TBD, taking into account Pius basketball games. Currently working with Cisco/US Foods to determine costs and wit Tony Gillick for beer. Dave asked for feedback on where to house the Fish Fry concerned with space. We discussed the school gym and rentals from AAA for tables and chairs. The group discussed how important it will be to advertise the event 4 weeks prior and to also make sure the Alter Society is aware of the event to be sure we are not compromising any possible soup supper plans. This event is still a work in progress.
- Cana:
Monica and Father McCabe reported that an anonymous donor has agreed to match all monetary donations toward Cana up to \$75,000. The Cana committee has communication in place to let parishioners know how to RSVP to attend the event on January 25 as well as how to donate starting now. Cana is the parish's main fundraiser. The funds raised will go toward needed up keeps of the parish such as new carpet, replacing the kneelers and teacher pay. The committee has great live and silent auction items in place and invitations are out.

New Business:

Next meeting date(s): January 26th, 5:00pm to count the ballots – PC members only
 January 26th, 6:15pm Meeting in Heritage Room
