

We continue to celebrate the Year of St. Joseph, declared by Pope Francis at the beginning of Advent 2020. What a blessing that our own patron saint is being celebrated and called upon throughout the whole world!

It has long been a practice of the Church to ask for the intercession and guidance of those who are now in Heaven. Just as we ask for the prayers of our friends and family, so too should we ask for the prayers of our brothers and sisters in Christ, the saints. St. Joseph, the father of Jesus, is also meant to be a spiritual father to us. By uniting our hearts more closely to St. Joseph and accepting him as our father, we can grow both in virtue and in unity with Jesus Christ.

This fall, our parish would like to provide you with several opportunities to grow closer to Christ through St. Joseph. I encourage you to consider joining our parish family in deepening your understanding of and devotion to St. Joseph. As your pastor and spiritual father, I pray for you daily with hope that you continue to grow closer to Jesus.
